i-Ready Central Resources

i-Ready Central has everything you need to be successful with i-Ready. You will need to log into i-Ready to access the resources in i-Ready Central. The links below will help you prepare for the i-Ready diagnostic test.

 <p>i-Ready Diagnostic & Instruction: User Guide</p> <p>©2015 Curriculum Associates, LLC</p>	<p>i-Ready Diagnostic Checklist for Teachers</p> <p>Use this checklist to ensure that you are maximizing i-Ready to achieve the greatest possible impact for your students. This list includes key steps and tips for teachers.</p> <p>BEFORE THE DIAGNOSTIC</p> <p>Getting Organized</p> <ul style="list-style-type: none"> <input type="checkbox"/> Confirm that computers are functioning properly and that headphones and audio are working. <input type="checkbox"/> Schedule computer access time for administering the Diagnostic and additional staff to assist with logging in and monitoring (recommended for Kindergarten, as needed for other students). <input type="checkbox"/> Review accuracy of class roster(s). <input type="checkbox"/> Obtain student login information for each class. <input type="checkbox"/> Gather paper and pencils for each student taking the math Diagnostic. <p>Preparing Your Students</p> <ul style="list-style-type: none"> <input type="checkbox"/> Review test procedures with students. <input type="checkbox"/> Show students the grade level-specific introductory videos that can be found in the Diagnostic section of i-Ready Central™. <input type="checkbox"/> Show the beginning screens of the Diagnostic and the sample test questions that are found in the User Guide (available under the Resources tab in i-Ready). <input type="checkbox"/> Prepare activities for students who complete the Diagnostic. <input type="checkbox"/> If you have i-Ready Online Instruction, turn it on (enable) it. <p>DURING THE DIAGNOSTIC</p> <ul style="list-style-type: none"> <input type="checkbox"/> Actively monitor students. <input type="checkbox"/> If a student is rushing/hot trying his/her best, reset his/her Diagnostic test. Diagnostic tests can only be reset if they are "In Progress." Completed tests cannot be reset or removed. <p>AFTER THE DIAGNOSTIC</p> <ul style="list-style-type: none"> <input type="checkbox"/> Check for completion (After logging in, click the question on the Home screen, "Which students still need to complete the Diagnostic?"). <input type="checkbox"/> Check for missing in the Class Profile report. Look for the alert icon next to a student's name. <input type="checkbox"/> Review key reports including the Class Profile, Instructional Grouping Profile, and Student Profile reports. <input type="checkbox"/> Review your Growth Monitoring Schedule (if applicable). <p>See the i-Ready Teacher Training Guide for more detailed information and step-by-step guidance.</p> <p>Log in: login.i-ready.com Resources: i-readycentral.com</p> <p><small>*You will need to log in to i-Ready to access the resources available on i-Ready Central.</small></p>	<p>TIPS FOR TAKING AN I-READY TEST</p> <ul style="list-style-type: none">  This is a test that's just for you.  The questions will get harder or easier based on your answers.  Take your time and do not rush.  You may not have learned some of the questions, so if you don't know the answer, just do your best.  Use pencil and paper on math questions.  Use the speaker icon to have some of the questions read aloud. <p>At the end of the test your teacher will know exactly what you have learned and what you need to learn. Make sure to try your best!</p>  <p><small>© i-Ready</small></p>
